

# HOARDING PEDESTRIAN GATES

## SPECIFICATION

### PRODUCT INFO

Our range of Hoarding Pedestrian Gates provide controlled, secure access through solid hoarding perimeters while maintaining visual privacy and site safety.

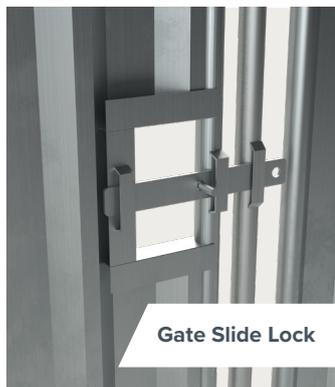

Built from galvanised steel for long-term durability, these gates integrate seamlessly with hoarding panels and maintain a consistent appearance across your site boundary. Available in standard or framed formats and 2m or 2.4m heights, they're designed for repeated use, easy installation, and lasting performance. Minimum order quantities apply.

### KEY FEATURES

- ▶ Reinforced design for controlled pedestrian entry. No ground fixings needed
- ▶ Fully galvanised for corrosion resistance and long-term durability in all environments
- ▶ Built for long-term redeployment
- ▶ Fast connection and alignment with hoarding panels
- ▶ Fully lockable with standard padlocks (not included)

Caster Wheel

Gate Slide Lock

### SPECIFICATIONS

Product ID	THS112300
Colour	Unpainted
Height (mm)	2000
Depth (mm)	40
